It's quite appropriate that Kristal hails from someplace hot. She, kept getting into trouble when she was younger. You could say she was a wild child

but likes to think of herself more as a free spirit. However spending free moments can be a chore. But never a day arises when she would want to rewrite her story.

Kristal

Although readily admitting that looks are important when it comes to choosing sexual partners, Kristal equally appreciates sincerity, warmth and a sense of humor in a man. She's all about goofy banter and soft eyes. Those sorts of things drop her to her knees in front of the man she wants.

To the Editor:

I have never told anyone this, but I had lesbian sex once, six years ago with my old sorority sister. I knew she was bisexual, and didn't have a problem with it. She never hit on me, so it was okay. She was hot, what people call a 'lipstick lesbian.' For fifty years oldery pretty, perfect figure, and very feminine. It all came about after a night of hard partying, and we were back at the house in the living room. I had been playing touchy feely with my hubbie at the party, but he got too drunk and we dropped him in a bedroom so he could sleep. He had his hand in my pants, and mine in his, and it ended a little prematurely. He zipped up and left me high and dry so I dropped his ass on a bed.

I started complaining to Blake, and when she jokingly said 'if you need a helping hand let me know.' I thought to myself, why not? We went back to her apartment, and I was nervous and excited at the same time. She slowly undressed in front of me and then she undressed me. She had the most perfect breasts I've

Dear Editors,

What an amazing issue the last **50+** (Issue 50+26 - Ed.) was. There were so many hot women in that book, I didn't know who to jerk off to first. The Tanya and Karla pictorial was super cool. They two beauties really know how to appreciate the other. And the issue included one of my favorite mature hotties, Zoey Hallaway. And to see her with sexy-as-hell Celeste Satr, well that was a great scene and really made me hot. But the biggest plus was the number of free videos I got when I checked the scenes out online. Just as advertised, it was really cool to see the models in the book having live sex! Thanks for everyone of them.

ever seen, round and perky, big areolas and erect nipples. She had a nice hourglass shape, her waist was tiny, her tummy flat, and her pubic hair shaven clean.

We stood in front of each other naked, and then she reached out, cupped my breasts, and teased my nipples to erection with her thumb. I did the same to her. Blake wrapped her hands around my back, and pulled me into her. Feeling her breasts press into mine felt great, and I could feel her nipples rub against mine. She kissed my shoulder, then my lips. So different than a guy whose face can be rough, just soft skin, and I can still remember the waft of her perfume.

We laid on her bed, and explored each others bodies, and when I rubbed her vagina, she was very wet. She began kissing, licking and sucking down my body, and began giving me oral. It was great. She shifted around and put her vagina in my face. Her labia were much more pronounced than mine, and much darker. I licked and sucked on her clit and pussy lips as she did me in sixty-nine. I came be-

fore she did, and I finished her off with my hand, while sucking her nipples. All in all, I did enjoy it, mostly the softness of a woman's body, and her breasts, and the fact she knew how to hit my hot buttons. I stayed all night and in the morning she made the best coffee, ever.

— Sandra, Milwaukee

Dear 50+ Editor,

I had already received a picture of Lucie and knew that if she even looked half as good as she did in the picture, then everything else would work out just fine. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her medium-sized breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling each one just enough to make her moan for more. I couldn't wait to meet this beautiful woman in person.

We agreed to meet at a local coffee spot and see how things went from there. I got there before Lucie and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. Her blonde hair just barely brushing her shoulders. The blouse was just thin enough that I could see the outline of her lacy bra

underneath. When I looked in her eyes I was frozen, the deep blue just took my breath away. And her lips, oh baby, those lips, so luscious and pouty. Perfect to wrap around my thick eight inch cock, which by now was definitely waking up. What could possibly be going on at home that she was looking to hook up. I really didn't care.

When it got dark, everyone went inside. So we went to the park and were walking around just talking and enjoying the night and the company when I felt Lucie tug on my arm. She looked me in the eyes and asked, "Are you nervous?" Of course my response was, "No, should I be?" Lucie then told me, "No reason. I just thought by now you might try and kiss me, at least I was hoping that you would."

Well, who was I to turn down an invitation like that? After making sure that it would be alright to

kiss her, I took Lucie to the edge of the walk path where there was a picnic table and bench. I then took her face in my hands and ever so slowly lowered my lips to her. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Barbara running her hands along my back and the tops of my thighs. She was moaning from pleasure, her chest heaving, and reaching out to grab my cock. The feel of her hand on my very hard member felt like electricity shooting through my body. I truly thought that I would cum right then and there.

I reached up and lightly felt her breasts through her shirt and bra. Lucie told me to take her shirt off, so I did. She then helped me to ease her bra off and then her breasts spilled onto her chest. Not wanting to seem too over eager, I lightly brushed my lips and tongue

over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her tits that I didn't at first realize that she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.

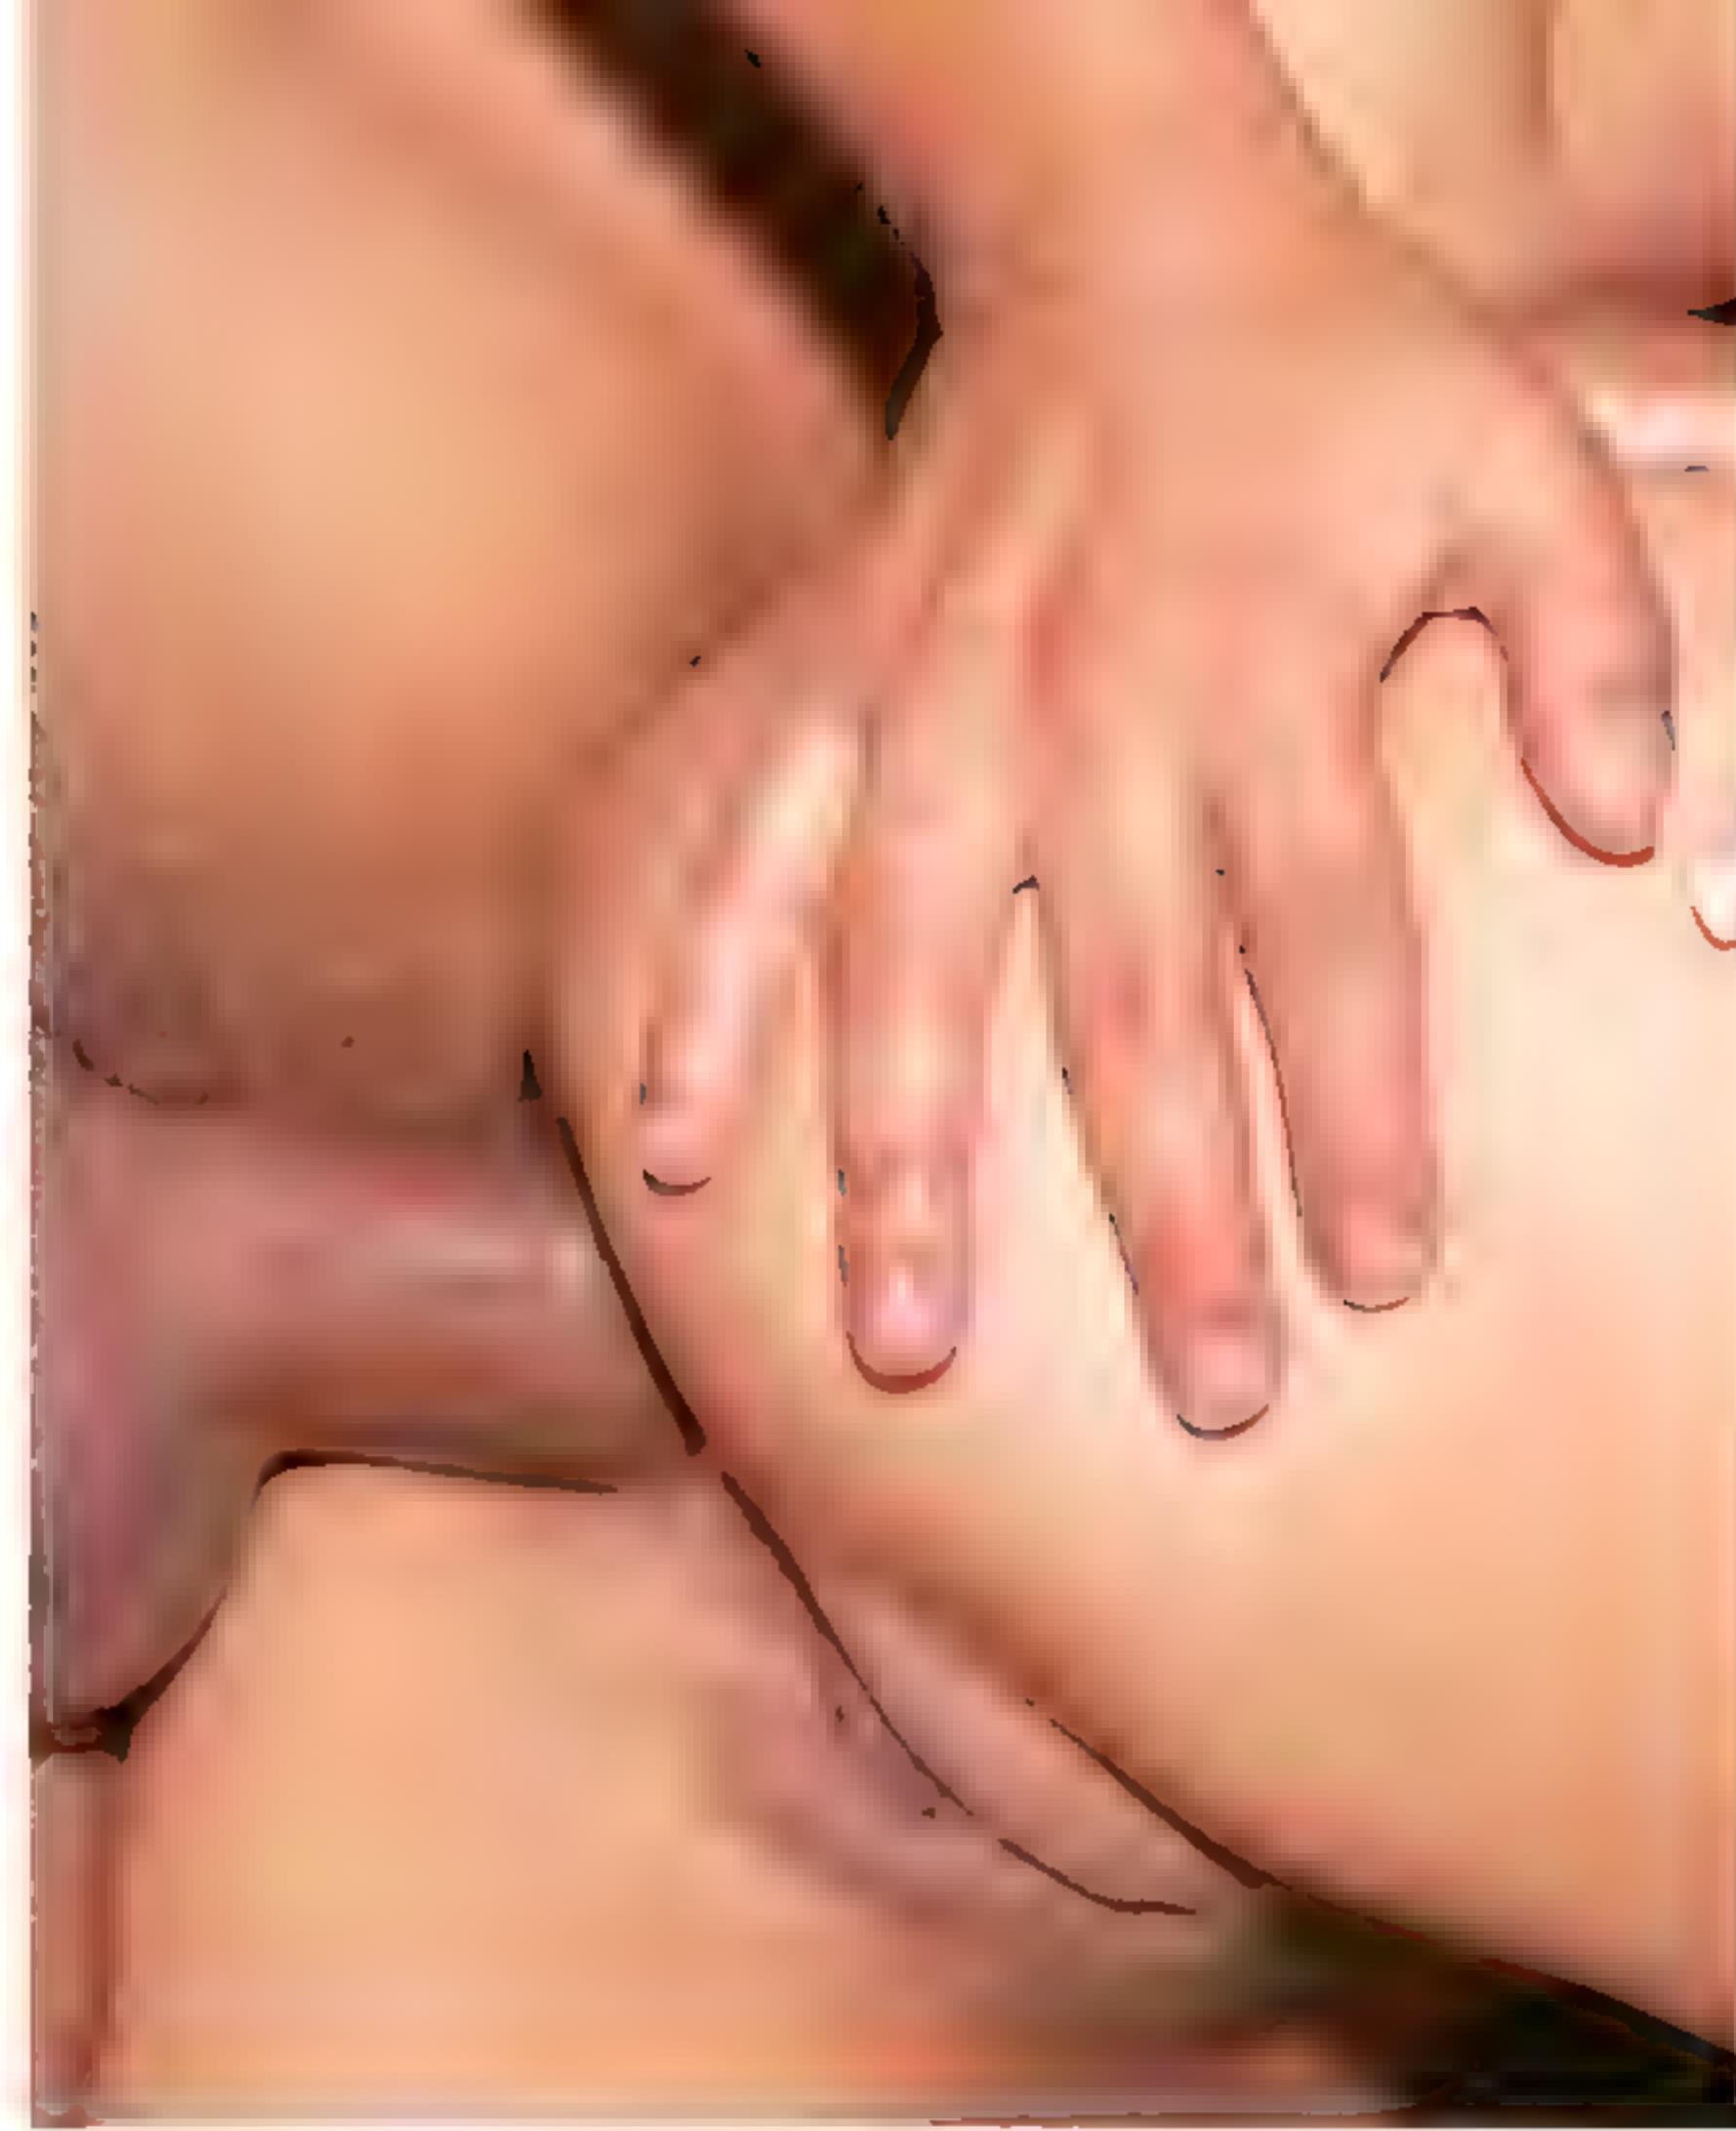

Then she helped me to slide my pants down around my knees and then she began to kiss and suck me through my boxer briefs. Just feeling her hot breath through my briefs was so exciting. My cock was so hard at this point that it was peeking out over the top of my waist band of my briefs. She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told her not to worry, it would definitely fit.

She gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked Lucie, "Is that what

you want?" Lucie only had eyes for my tool and was staring at it as if that was who was talking to her and she answered, "Yes, I want the whole thing." I assured her that we could try and if it got to be too much for her then we would stop.

Lucie began running her tongue all over my cock, flicking her tongue over the head. She slowly took one of my balls into her eager mouth and began sucking on it, too. She was kissing my dick from top to bottom and then she took it deep. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying to rush up through my cock. She must have realized that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth. I called out to her that I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table, and I stood up on the bench.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pound-

ing away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop, I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out my cock and looked at Lucie. She just smiled and said, "I love to suck cock, did I forget to tell you?" I just looked at her and smiled and said, "Now it's your turn."

Lucie said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into her ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet. After helping to ease her out of her lacy thong panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickled my senses. I slid my first finger lightly down the crack of that beautiful ass, all the while letting my

spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let the tip slip in ever so slightly. I didn't feel any resistance so I slid it in a little more. Feeling this, Lucie pushed back against my finger causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger and my face like there was no tomorrow.

I asked if she was ready and she affirmed she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. I took my cock and ran it all over her pussy and ass, getting it good and wet. Then she took matters out of my hands and lifted her hips to meet the head of my cock. By doing this, she got it started in about a half inch. I lifted her ass up a little higher, and buried my cock

all the way in her ass. She was getting so turned on that she began to scream, telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her. She began to cum, her love juices pouring out. That's when some unwelcome headlights illuminated us and we shrunk away behind the bench. My cock had slipped out and I hadn't cum. After we collected ourselves, she took part of my shirt and wiped off my cock.

She told me to stick it into her pussy to get it wet again so she could suck it, and I did. She then took it out and started an amazing hand job that ended with her lips wrapped around my dick head as I spat gobs of goo into her mouth. She sucked hard as I came to get every drop out and then let go. We gathered up our stuff, dressed and started back out of the park. We walked quickly as a car came up behind us, slowed down, then drove on by. All I hoped is that it wasn't her old man!

— *Mr. Fisher, Tuscon*

Why did you decide to sign a girl-girl contract with Sweetheart Video?

I'm in this phase of my career where I'm getting to explore my personal "Bucket List" in terms of scenes. I knew I wanted to be involved in a high quality, female-centric project that was authentic. I wanted to be involved in something that had a very strong female fan base and that narrows down the opportunities. When I was approached by Sweetheart Video, it floored me. It was the right project, with the right company, at the right time. I cannot begin to tell you how professional Sweetheart Video & Mile High have been. From the girls to the executives, everything has been fun AND professional.

Would you say your best scenes are with women?

I don't think it's any secret that I love men! That said, it's also no secret that I also love variety! [Laughs] A great scene (for me) is about chemistry, passion, and direction rather than the gender of my partner. I have had some very memorable scenes with Sweetheart Video ... whether they are "my best" is really for the viewers to decide! My goal is to ensure that every scene I'm in is hot!

Dana Vespoli usually helms most of the Sweetheart lines. What's it like working with her and do you ever bounce story and character ideas with each other?

Over this past year I have come to genuinely respect & enjoy working with Dana Vespoli. Professionally, she is organized, creative, and passionate about Sweetheart's productions. There are traits and skill sets that are important in good leaders.... they inspire people like me who draw energy from that passion. Personally, I adore her. If we are honest, everyone knows it's challenging to develop meaningful relationships in this industry. I genuinely enjoy Dana's com-

pany and that admiration pushes me to give every scene my all.

Are you bisexual in your personal life?

Sometimes labels too narrowly define a person... such would be the case here! My husband and I are more ... lets call it... opportunistic hedonists! [Laughs] While he is straight, I am attracted sexually to both men and women. What I don't do, however, is "play" alone! In my personal life... you're getting us both!

Did you select the girls you get to work with?

For the most part, yes. I don't have a "yes list", but I do have a "no list". Often, you will see me paired with someone who I may not have specifically chosen, but because they were not on my "no list" they were cast. With Brandi Loves Girls we let the fans decide. For the most part, my co-stars have been sensual, fun, and, most importantly, the chemistry on set has led to some fantastic scenes.

What's a fantasy lesbian scenario you hope to film one day?

I would love to do a feature with Sweetheart Video where I am able to submit the scenarios. A Brandi's Fantasies, so to speak. I don't want to reveal too much, but I suspect they would be wilder than anything I've shot thus far!

Do you think another lesbian showcase, or just a general showcase, is in the cards for you soon?

I hope so! As I stated, I would love to do a feature with Sweetheart Video where I am able to submit the scenarios.

You've done it all in your career, including hardcore boy-girl scenes. Do you feel your male fans want to see you doing girl-girl and have they responded well to your girl-girl scenes?

Girl-girl erotica is tricky! Those who

have been successful at it know that there is a dramatic difference between what females look for in girl-girl scenes versus what men look for. I know for a fact that my fan base in the girl-girl arena right now is largely female. I believe there is opportunity and room for growth within the genre for me with respect to my male fan base.

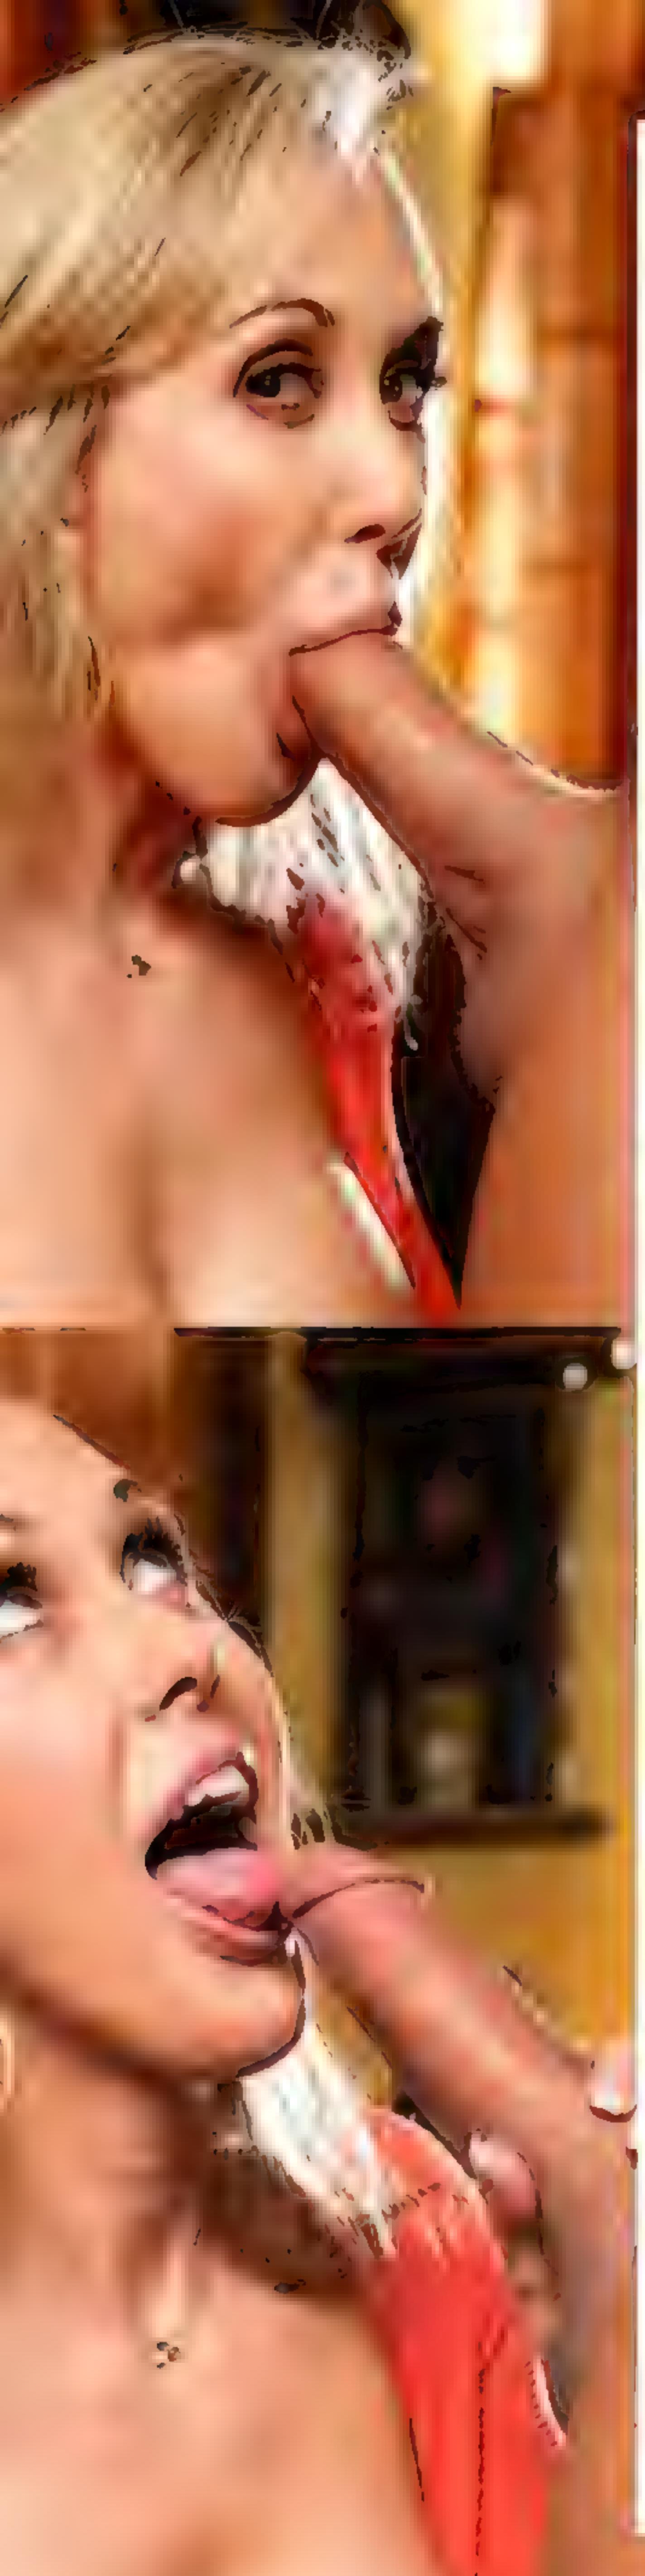

Most male fans aren't big fans of lesbian porn. Why do you feel that is?

Sometimes answering questions like this puts me in political crosshairs! [Laughs] I however, have always told it like I see it. Men and women typically want different things in terms of adult entertainment and in real life from women. My male fan base, and I would contend that most men, want a woman who is smart, sophisticated, and a complete, unbridled, uninhibited, wanton slut in the bedroom. Men want women to want men (them), not another woman. Can't blame them for that! To appeal to a larger male fan base, certainly my male fan base, the girl-girl scenes need to be naughtier! Less plot, less seduction. It can still be stylistic and classy but it must be naughtier. You want the men to watch and say "Holy fuck! That woman is a slut! She's as kinky as I want to be! Yes!" You don't want them saying, "Hmm... well that was a beautiful, tender moment between two women."

Porn has changed a lot since you entered the business. Is today's porn environment a good time for performers to get into it?

The entertainment industry in all its forms has changed. Music, mainstream films, even sports have all changed radically. Adult Entertainment is no different although, in my humble opinion, we have suffered more. You either adapt or disappear.

Knowing what you know today, what would you have done differently if you were entering the industry in today's porn environment?

I've mentioned this in other interviews so it may be redundant... but it's important. Embrace delayed gratification! I truly love what I do. I'm not ashamed, I don't have regrets and I treat this as a career. I get paid to explore the world's most pleasurable activity. It's amazing really. When I first started, the money was insane, it was new to me and I spent like a rockstar. I paid the price for that foolishness. I did not embrace delayed gratification. Now I save and invest every penny. I will still be able to retire from this industry and secure my future but it's impossible to regain the benefit of compound interest over those early years. Or to be perfectly blunt... I gave up about 1.4 million for cars, handbags, and ego. I'll never make that mistake again.

Are there any misconceptions about lesbian porn that fans should be aware of?

You know... I haven't come across any misconceptions specifically related to lesbian porn.

Okay, I'll admit it. I was a librarian for a major metropolitan library. I was in charge of new book acquisitions, a job I had done for twenty years. Then they integrated my position with on-line e-books and dissolved my job.

Miss Trixxie

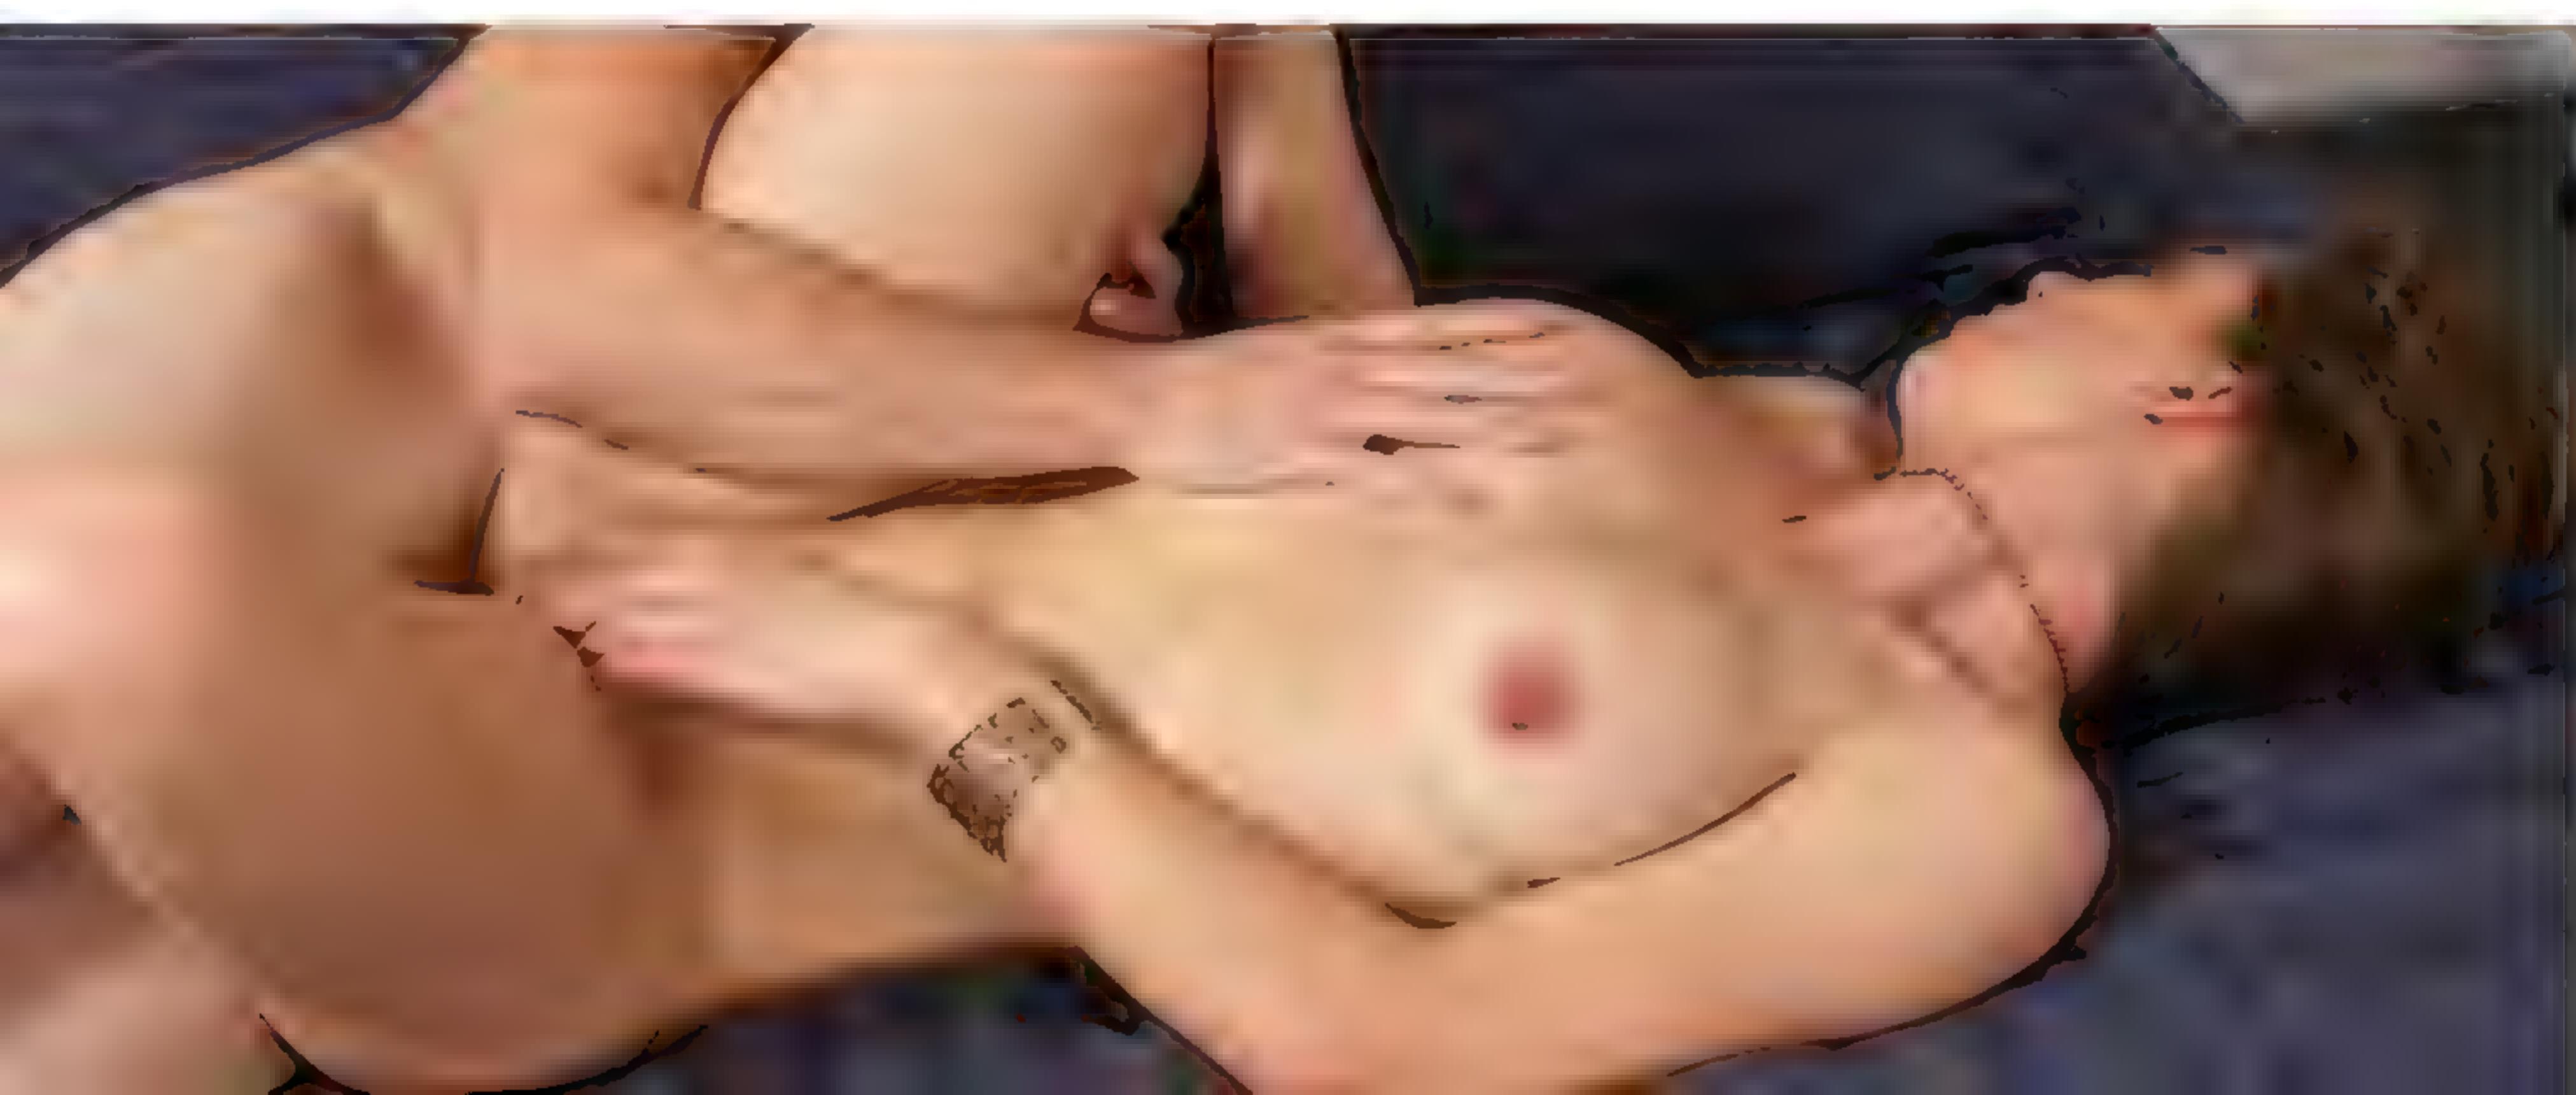

So what's a girl to do? After many a long night in anguish and long wine-filled conversations with my girlfriends, I was talked into having sex on camera.

Christmas is approaching quickly and you may want to consider returning your presents for massage money!

retirement was time for a new gig from the hill to the table

THERE IS ONE CLIENT I REALLY LOOKED FORWARD TO COMING IN

Mine is now definitely one of the better jobs I've had. After years of drudgery on Capitol Hill, I ditched it all for a small place in Cabo and went to work for one of the resorts there. I took some classes and became accredited as a masseuse and went to work. I did both men and women as the schedule demanded, but my faves were the ladies. Sure there were some overweight and some uglies, but when a good-looking one came in, I was at my best. I especially liked the pretty ones that had spats with their men the day before. Revenge can be a very horny thing. Some fall asleep on my table and I can only look.

Admittedly I have my favorites, and Darleen is one of them. She's been to the resort three times this year, always with some new guy. I think she's an escort or a model of some kind (wink, wink), but damn she is fucking hot. If I had the money, I'd bring her here, too. This last trip she must have decided I was good enough to eat. I try not to get sexually involved with my clients, but every once in a while... especially if she's the one

coming on to me, then I just can't resist. Darleen will come in usually wearing a small summer dress, sandals and sunglasses. Never have I seen panties in the changing area. Her medium brown hair looks much lighter on her tan skin. She says she comes here so often that she is picking some Spanish.

Today, she's twenty minutes late for her massage, but that's normal, actually that's early. She's all glammed up today. I've never seen her so made up and she looks extra hot. "I played a lipstick lesbian today," she says when I ask her about all the glam. Her eyeliner and eyeshadow were a deep magenta which made her blue eyes stand out. She was wearing some black stuff with those tall, clear stripper shoes. The top she wore did little to hide her full breasts. Her short mini skirt barely covered her

crotch. She tells me her man friend had this fetish fantasy and that's why she's dressed like that.

She comes into the massage room and I have it smelling of lavender, her favorite. She drops her

My body could feel every inch of her body touching mine. I was licking her neck, slowly going down to her boobs, navel and then to her toes, and back up to her thighs.

stuff in the corner and begins to strip naked. "Georgie, honey, I had to fuck a couple girls today while my man watched and they got me so horny. What I missed is a nice big cock to play with. You got one handy?" She came up behind me and placed each palm on an ass cheek, fondling them. Then she slipped a hand to the front and found my cock, already pretty hard by now.

She then ripped the shirt off of me. I pulled her to me as her hands cupped my ass again. One came round to unzip my pants and found my cock, squeezing it rather hard. My hand found the zipper on her skirt, pulled it down and jerked it to her ankles. Darleen kicked it off and to the side. I went to my knees as she held me by my hair on each side.

She had already dropped her top and I began to nip and bite lightly at her breasts, and then she pulled my face into her crotch. I could see her pussy lips were swollen already and oozing wet. My nose close, she smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands and raised her so my tongue could find her moist slit and her erect clit. Her groans gave her away as I sucked loudly at her entrance. I stiffened my tongue and used it to fuck her love hole as I felt a first orgasm shake her body. I thought she would pull my hair out. Her thick fluids spurted all around my

tongue and ran down the sides of her upper thighs. I backed off to take a long look at her sex, thinking that I was just there, damn! She came rather quickly, I thought.

Without hesitation I finished stripping her and myself as I pulled her to the table and whispered for her to bend over it. I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face. Darleen used her hands to spread her cheeks wider. I used two fingers to probe her tight, wet pussy as my tongue penetrated her anus. My fingers slid across her G-spot a few times more as she shook with another orgasm, this one being anal in origin spasming her sphincter around my stiff tongue. She had pulled my head so hard into her butt cheeks that I had to hold my breath through her second climax.

Her wrinkled anal muscle gave way easily as I slowly slipped my cock inside. Inch by slow inch I pushed inside letting my cock grow slowly while she adjusted to my size. I was in all but the last couple inches when she begged me to fuck her harder. Now I'm balls deep in her butt, pumping her hard until I withdrew all but the head, then slamming her ass again to the bottom, my bloated balls slapping her pussy and clit. I let her dictate the pace of the strokes, as well as the penetration. I

She kept clutching and squeezing me as I rammed deep into her, her pussy clamping down and milking every possible drop of cum. We finally slowed to a stop, and she turned her head so I could kiss her.

could tell Darleen loved this type of sex.

She was a natural, placing one knee up on the table to open herself even wider. My balls continued to slap at her clit. My strokes were fast and deep, as her gasps of breath and her trembling legs gave her away. She grabbed my ass cheeks hard as her butt hole gripped and released me several times to match her last strokes. She again came hard. As for my climax, it was just as intense, filling her ass to overflowing as I gave one last thrust and we fell completely spent onto the table.

I helped her up to lie tummy down on the table, her face in the cradle. I lined six heated stones down her spine. While the heat soaked in, I let my open hands slide down her sides, my fingertips barely touching her skin. Her whole body was quickly covered in chill bumps. My hands were on her ass and all talking ceased as she groaned how good it felt. I lightly oiled them and made opposing circles on the cheeks, spreading her crease wide to gaze at her charms. Her anus winked at me, as it seemed to invite me back. I let an oiled finger drag slowly down to the center of it and teasingly poked her hole again. She responded instantaneously as if to invite me in again. It was extremely difficult but I held back hoping that I could revisit her ass later in the session.

Taking the stones off her, I instructed her to roll

over and I started massaging her toes, then her feet and worked my way up her legs. I bent to lick and suck at her navel. My fingers still played with her clit even though she kept her thighs together. My middle finger slipped inside her tight folds, adding to her torment of pleasure. I slid a second finger inside her tight pussy while my other hand reached to pinch a nipple. Her body began to tremble. Just a little at first. Then she started biting her lip and tossing her head back and forth as if to be embarrassed to come a fourth time. She could not, or would not stop, it from happening.

I pulled my soaked fingers from her pussy and began to slap them on her labia firm enough to keep her cumming profusely. At first she closed her knees, but soon opened them and asked me to do it some more. I continued to spank her all round her upper thighs and crotch. I slapped till both her upper inner thighs and labia were a bright shade of pink and her juices

dripped onto the massage table.

She rested for a minute and then looked at the clock on the wall. Her session was over. She turned around fixed her hair and slowly put on her clothes as she looked at me watching her. Gathering up her bag from the corner, she thanked me and paid the hundred dollars I charge for the massage. "I'll be back in a month, Georgie. Please mark a date on your calendar for me." Absolutely, I will.

A close-up photograph of a woman with dark, wavy hair and bangs. She is wearing a red, patterned top and looking down and to her right with a neutral expression. The background is blurred.

It was my neighbor that talked me into having my sex life put into photos and in a video. She saw that I was dating a younger man and suggested that I take pictures. He was all for it, and sooner than you can lick a clit, I was on camera, sucking and fucking my young stallion.

Tanya
